CREATIVITY

EXPERTISE

PASSION

These aren't official CEU's but these pearls are quick and to the point, usually taking no more than 15 minutes we can offer easy education to you and your coworkers.

- **LVT: Understanding the Unique Needs of the Hospitality Guestroom**
- **Engineered Veneers**
- **Seating Foam: What is Density and ILD**
- **Stainless Steel grades and their application**
- **Metal Plating – What is it and what makes up a metal “finish”**
- **Casegood Construction and Spec Review**

We are here to make the specification process simpler and review your standard specs and rewrite design standards when needed. Just ask!
